

Dreams

Dream your own dream, and follow your own star. There
wouldn't be a heaven full of stars,
if we were all meant to wish on the same one.

There will always be dreams more grand
or more humble than your own,
but there will never be a dream,
exactly like your own,
for you are unique and
more wondrous than you know!

Do your best!
There is no shortcuts on the way to a dream,
so give all that you have, to all that you do.
And above all things, believe in yourself.
This is all your dream asks of you,
but this is everything!
